

Transitional Living Services

Transitional Living Program

is designed to support probationers by providing independent housing combined with services that promote self-sufficiency through employment support, sobriety and accountability throughout services.

Transitional Living Services support individuals through:

- ✓ Scattered site individual apartments to promote independence and permanence after services conclude.
- ✓ Employment programming by our highly trained supported employment staff upon referral.
- ✓ Provision of a \$100 stipend and donated household items to help meet basic needs during transition.
- ✓ Recovery-focused approach and willingness to work through resistance and relapse.
- ✓ Referrals for continued support through Community Support, Supported Employment & Day Services Programming.
